

THE CRC 2007 ANNUAL AUCTION

Once again, through the efforts of club member Rich Kubersky, we are privileged to hold our annual action in a park-like setting. In addition, we will also be continuing our tradition of combining the auction with a pot luck barbecue. That is, the club will provide the burgers, hot dogs, condiments, chips and soft drinks while the members bring side dishes to share with all.

So plan on not only on being part of the auction, by both buying and selling radio treasures, but also by bringing your family where they can enjoy the picnic and the surrounding park facilities.

AUCTION RULES

- ♦ There is no cost to register as a buyer or seller.
- ♦ There is a seller's commission that will be equal to \$1 or 10% (which ever is greater) of the "hammer" price on each lot sold to any buyer - including the sellers who may elect to "buy back" their lots.
- ♦ Sellers may optionally indicate, **at registration time only**, an unannounced minimum bid (reserve) on any lot.
- ♦ No commission will be incurred on any lot that is not sold.
- ♦ All seller commissions will be deducted from and before the payment to the seller, and these commissions will become the property of the Colorado Radio Collectors Antique Radio Club's treasury.
- ♦ Buyers can not take possession of any lot(s) until the total cost for all purchases are paid. Collection of buyer fees will commence at the conclusion of the sale of the last lot offered in the auction. A buyer's receipt is required for pickup of purchased lots from the lot/item display area.
- ♦ Buyer fees will be collected before sellers are paid. Identification may be requested for those paying for their purchases by personal check.
- ♦ Sellers are encouraged to participate in buying as well, but payment for these purchases will be paid and accounted for separately from the C.R.C. settlement check for any sales.
- ♦ Sellers will be paid only by C.R.C. check, and may elect to be paid by mail for a \$1.00 surcharge.
- ♦ The C.R.C. assumes no responsibility for the condition or ownership of any items and/or lots offered for sale in this auction, nor does the CRC assume any responsibility for items entered in the auction and/or left unattended.
- ♦ This auction is limited to radio and electronics related items as described above. The CRC reserves the right to reject items deemed inappropriate for sale at this auction.
- ♦ Any item registered for sale by auction may not be sold outside of the auctioneer's control, and can not be removed from the sale once the auction commences.
- ♦ **Auction participants are solely responsible for the conduct, actions and safety of themselves, their family members and guests. The CRC and TMGI only provide the auction space and facilities in good working order.**

AUCTION ITEM DROP OFF, REGISTRATION:

After driving through the entrance gate you may unload auction items at the drop-off area, then please quickly park your car in other ample parking spaces. All auction lots **MUST** be registered by **12:45p**. Lot numbers and a receipt will be issued to each seller, and it's the **seller's responsibility to affix a lot number to each lot entered into the auction.**

There is a rising, winding walkway from the drop-off area to where the auction items will be staged - under a shaded and rain protected pavilion. If you have heavy items to carry you may want to consider bringing a **cart** of some kind. There will be picnic tables available for eating and seating on a grassy area around the auction but, because of attendance, you may want to bring your own **lawn chairs and/or blankets.**

BARBECUE:

The CRC is providing a complimentary BBQ of burgers, hot dogs, chips, condiments and drinks for CRC members and family. Non CRC members can purchase a BBQ plate for only \$2.00. Everyone should bring their own side dishes - various salads, beans and fruit dishes. Potluck sharing with serving utensils is requested. The BBQ will be served from **10:30a to 11:30a** with cleanup by **12:00p**. **Dave needs volunteer help!**

FACILITIES:

There will be a bathroom available as well as trash containers and a large adjacent grassy area that is suitable for ball games and other "noisy" fun. There's also a walking and biking trail that starts at the most northern point on the road leading to the entrance gate.

We are guests at this location, and everyone is asked to help keep the area clean
