- ✓ There is no cost to register as a buyer or seller.
- ✓ There is a seller's commission that will be equal to \$1 or 10% (which ever is greater) of the "hammer" price on each lot sold to any buyer - including the sellers who may elect to "buy back" their lots.
- ✓ Sellers may optionally indicate, **at registration time only**, an unannounced minimum bid (reserve) on any lot.
- ✓ No commission will be incurred on any lot that is not sold.
- ✓ All seller commissions will be deducted from and before the payment to the seller, and these commissions will become the property of the Colorado Radio Collectors Antique Radio Club's treasury.
- ✓ Buyers can not take possession of any lot(s) until the total cost for all purchases are paid. Collection of buyers fees will commence at the conclusion of the sale of the last lot offered in the auction. A buyer's receipt is required for pickup of purchased lots from the lot/item display area.
- ✓ Buyer fees will be collected before sellers are paid. Identification may be requested for those paying for their purchases by personal check.
- ✓ Sellers are encouraged to participate in buying as well, but payment for these purchases will be paid and accounted for separately from the C.R.C settlement check for any sales.
- ✓ Sellers will be paid only by C.R.C. check, and may elect to be paid by mail for a \$1.00 surcharge. NOTE: **The CRC is not responsible** for any items left unattended by owners.
- ✓ This auction is limited to radio and electronics related items as described above. The CRC reserves the right to reject items deemed inappropriate for sale at this auction.
- ✓ The C.R.C. assumes no responsibility for the condition or ownership of any items and/or lots offered for sale in this auction.
- ✓ Any item registered for sale by auction may not be sold outside of the auctioneer's control, and can not be removed from the sale once the auction commences.
- ✓ Auction participants are solely responsible for the conduct, actions and safety of themselves, their family members and guests. The CRC and TMG only provide the auction space and facilities in good working order.
